Hello Members

A Happy, Healthy and prosperous new decade to you all!

Now that the festivities are over, the theatre will be back into rehearsal mode with “Annie” as our first offering for 2020. As online bookings have been open for a while, many of the advertised performance nights are filling fast. So please, make sure you book very soon, or you may miss out on this delightful piece of musical theatre.

We have chosen an interesting collection of productions for the coming year – something for everyone! Your support over the past year has been wonderful and we’ve experienced more sell-out nights than ever before! Thank you to our regular audiences and new members – we wouldn’t exist without you!

The committee have been working to ensure that the theatre produces the best we can offer. This is not just in the ‘acting department’, but also in the technical areas. We have already made some sizeable investments in making sure that our sound production is the best it can be – many thanks to Paul King for his tireless efforts.

We have also updated our lighting production and some wonderful effects were seen in the musicals last year. In March we will be installing a new lighting bar over the auditorium to make better and safer use of lighting from that area, thanks to a grant from the Lotteries Commission.

It was decided, at the last committee meeting, that we would again hold our Awards Night at the theatre. The date is Saturday 21st March from 7.30pm. There will be no cost to members for this event and the Club will be providing light refreshments and a glass of ‘bubbles’ for each member attending. However, as we will need to know numbers attending for catering purposes, you will be asked to register your intention to attend online or by phone after “Annie” closes.

# ANNUAL GENERAL MEETING

The meeting will be held in April. The exec positions this year will be Vice President and Treasurer (each having a 2 year appointment) and then there are 5 other general committee positions to be filled. Get your nominations in to fill these positions on the committee.
