Hello Members

*You will be receiving the April newsletter early so that we can remind you of a very important date on our calendar - **Wednesday 7.30pm 10th April 2019 is our ANNUAL GEN-***

ERAL MEETING.

I encourage all members to attend, but please be aware that only those who were financial members at the 25th January 2019 as eligible to vote on the night. Whilst I'm on the subject of financial membership, if you are due to renew at this time please try to pay on line where possible, prior to the AGM, to save last minute money collection.

*Those who attended enjoyed a very lively and interesting evening at the **Awards Sundowner**. The awards and certificates acknowledged many areas of our endeavours and you will see the results within this newsletter.*

***"The Real Housewives of Perth"** certainly made their presence felt during their short March season! This was a difficult production to stage for a new director, but Helen with her band of cast and crew presented a most entertaining night for our patrons. They played to full houses on several nights which was great to see.*

*And, as one show finishes another starts to create a set and begin rehearsals. **"Natural Causes"** will be staged in May between the 9th and the 18th and on-line bookings are already open. This black comedy/farce is sure to entertain, so get your group together and make a booking soon.*

*As I mentioned some months ago, we are still looking at alternative methods for accessing the **auditorium lighting bar** which will allow our lighting people to feel safer when moving, changing and focusing these lights. We have two quotes to hand at the moment, one using a motorised pulley system and one constructing a gantry. This will be a very large financial outlay for which I am currently investigating available grants. Hopefully we will be able to secure a grant and work can begin without delay. Watch this space!*

That's all for now - see you at the AGM - Shelley

**Supporting
Variety – the
Children's
Charity**

For as long as I can remember, I've been the girl with the long hair. I've always thought of my hair as being a part of me. But after seeing a friend go through chemotherapy and lose her battle with cancer nearly a year and a half ago, I've realised that there are much more important things in life than hair. I've been planning on donating ever since.

If I can do something to help kids going through hardship, then I want to do it. If you have even a small amount of change to spare, I ask that you consider donating it to a cause as worthy as Variety.

ALL MEMBERS - it is time for all memberships to be renewed. You are encouraged to do this before the night of the Annual General Meeting. You can do this yourself via the Limelight Theatre website
