President's Spot

Hello Members & friends

Each month as I sit down to write my 'spot' I reflect on what has been happening and what will be happening in our theatre.

You will all know that we are presenting "Romeo & Juliet" at the end of the month and that our final production for the year will be "The Envelope Please". But do you know what else goes on at the Limelight Theatre, and what the committee and other volunteers have been up to?

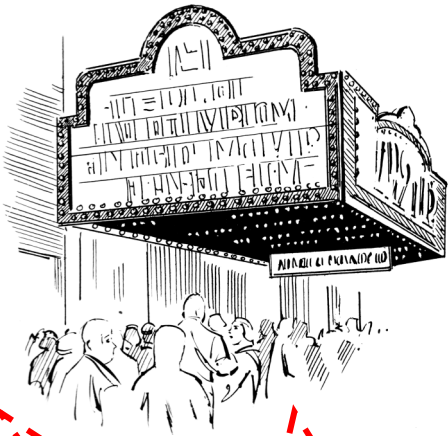

For example, every Tuesday morning for 3 or 4 hours our 'task force', led by Wally, get on with the maintenance, tidying up and constructing needed, then there's Lorretta who is spending many hours rearranging and sorting our props and furniture, plus Joyce and Kerry who have set themselves the daunting task of pruning and resorting our wardrobe assets into the newly built extension. Yes, I've mentioned them before, and I probably will again. I actually started to list everyone but stopped as that is fraught with problems if I should inadvertently miss out someone! My concern is that our current volunteers are ageing! It is the retired members who are there when volunteers are needed. That's great whilst these retirees are able bodied, but they won't always be, and we need to look to the future.

Over coffee with the task force, we were lamenting the lack of willing volunteers to take over these very important roles in the future. There will always be people wanting to perform and direct but there are not always people wanting to do a stint on front of house or back stage or help with the upkeep of the theatre. In the early days of our theatre everyone just 'pitched in' and turned their hands to anything that was needed. Yes, we've moved on a lot from those days, and there are still a few members who are happy to be a part of productions in any role, but let us not lose sight of Wanneroo Repertory as a Club - a group of people coming together for a shared purpose. If you are Club members - offer your help, don't wait to be asked!

See you at the theatre!

Shelley
